

APPOINTMENT OF EUROPEAN EXCLUSIVE DISTRIBUTOR AGREEMENT

To may it whom concern:

We would like to announce that we have officially appointed INDUSTRIAS YUK as European Exclusive Distributor as on September 6th, 2021.

YUK is a family owned business with more than 50 years' experience in the chain industry. They are located in Valencia and we have kept a good business relationship of trust for more than 30 years in which they become our Spain and Portugal Exclusive Distributor with great success.

YUK is leader in manufacturing conveyor chains and has built an ultimate generation automated 15.000 sqm. warehouse for chain and transmission elements. Also, in the last weeks they have launched their own online B2B portal in which you can buy our OCM products as well.

We think this is a next step for our relationship and business in Europe. Purchasing OCM products from YUK will enable our new and existing customers to receive the goods in shorter delivery time and reduce shipping costs.
